Overview

(1) Initial Login Screen

The image shows a login screen with a light gray background. At the top left, the text "Welcome to Photos" is displayed in a large, dark font. In the top right corner, there is a small square button with a gray border and a black 'X' icon. Below the title, there is a wide, white text input field with a thin gray border. Inside the input field, the text "enter username" is written in a small, gray font. At the bottom of the screen, there is a wide, light gray button with rounded corners and the text "GO" in a dark font.

Quits application

Label for title of Project

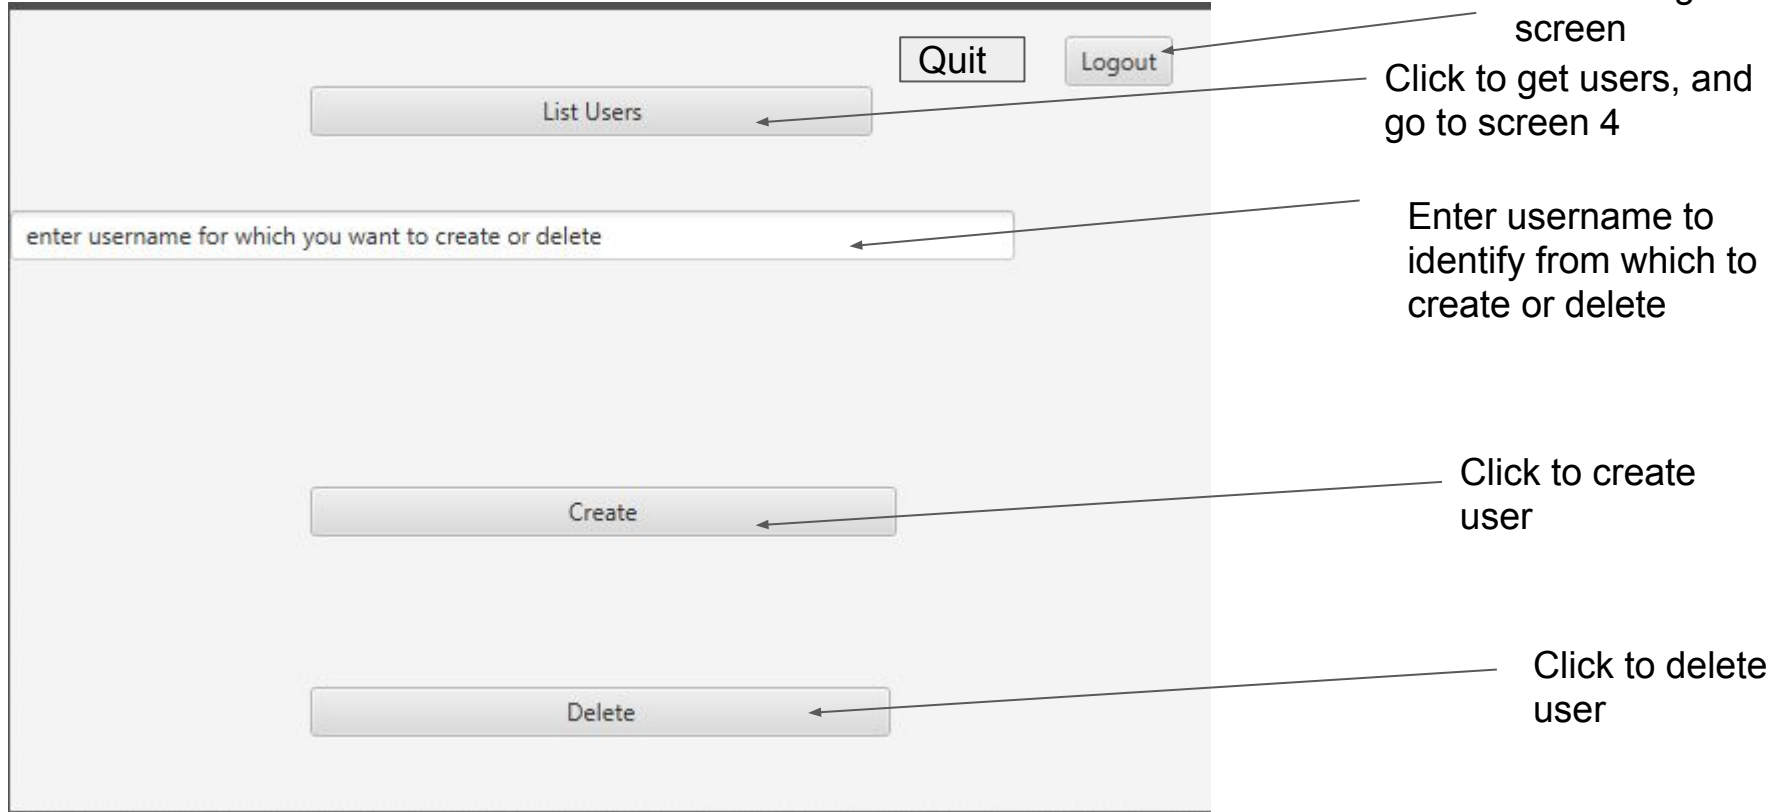

Enter username here

2

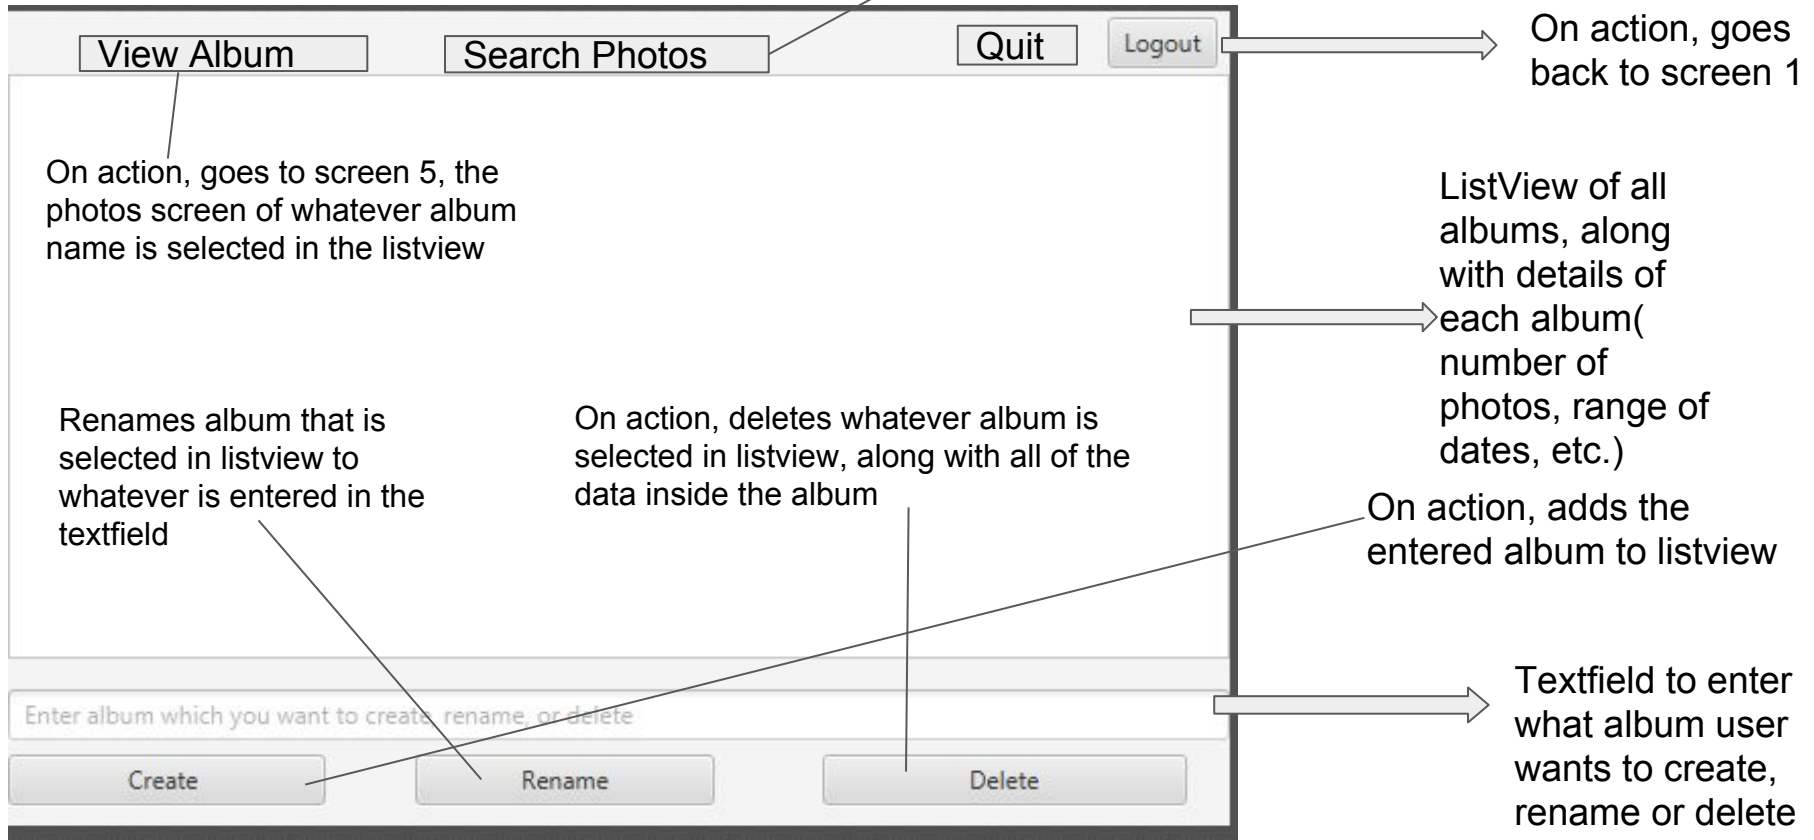

If username entered is "admin", go to screen (2). If not, go to screen (3). If username is "stock", go to stock photos

2

Listview of users to
be displayed here for
admin to see

(5) Inside Album Screen

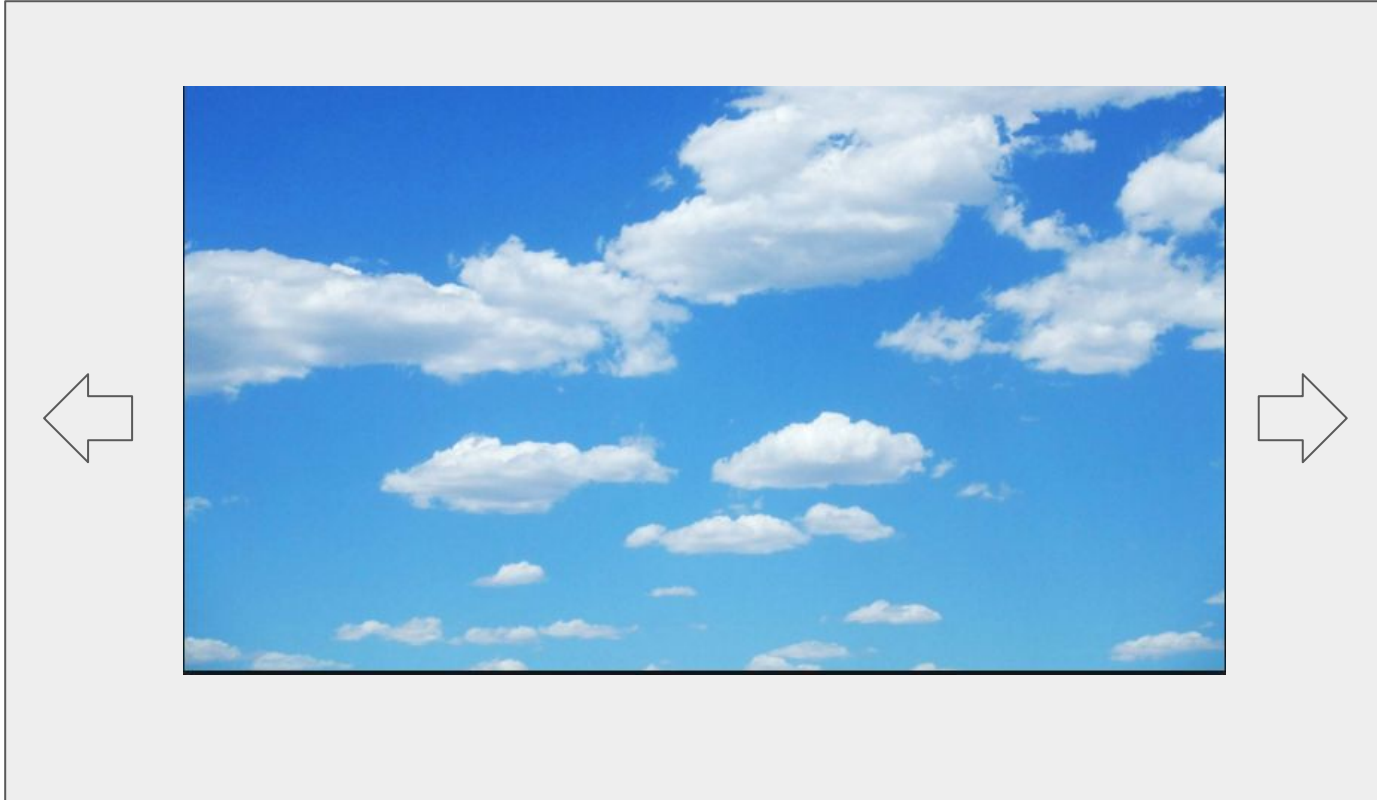

(6) Photo Display Screen

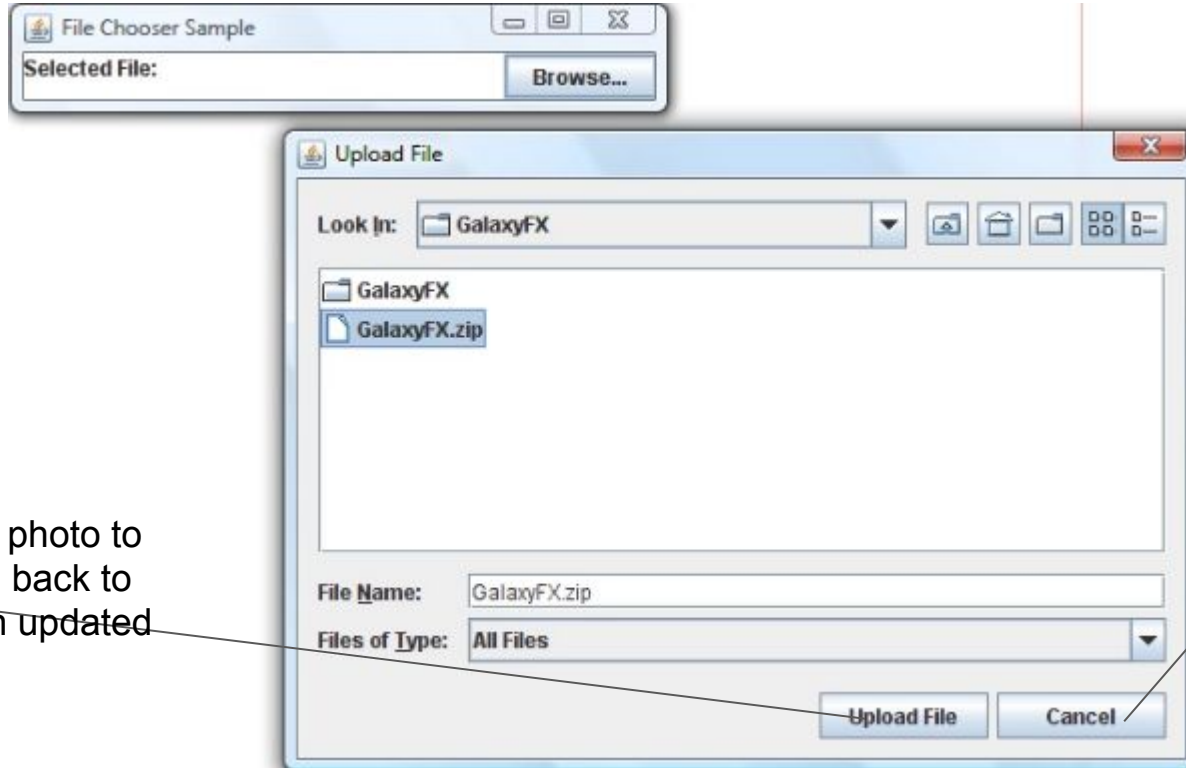

Button; on action adds tag name and value to listview

(7) Next photo screen

(8) Filechooser dialog box for adding photo

On action, adds photo to album and goes back to screen 5 with an updated photo album

Goes back to screen 5

(9) Search Photos Screen

Goes back to
screen 3

Enter start date

Enter end date

Cancel

Listview of tags

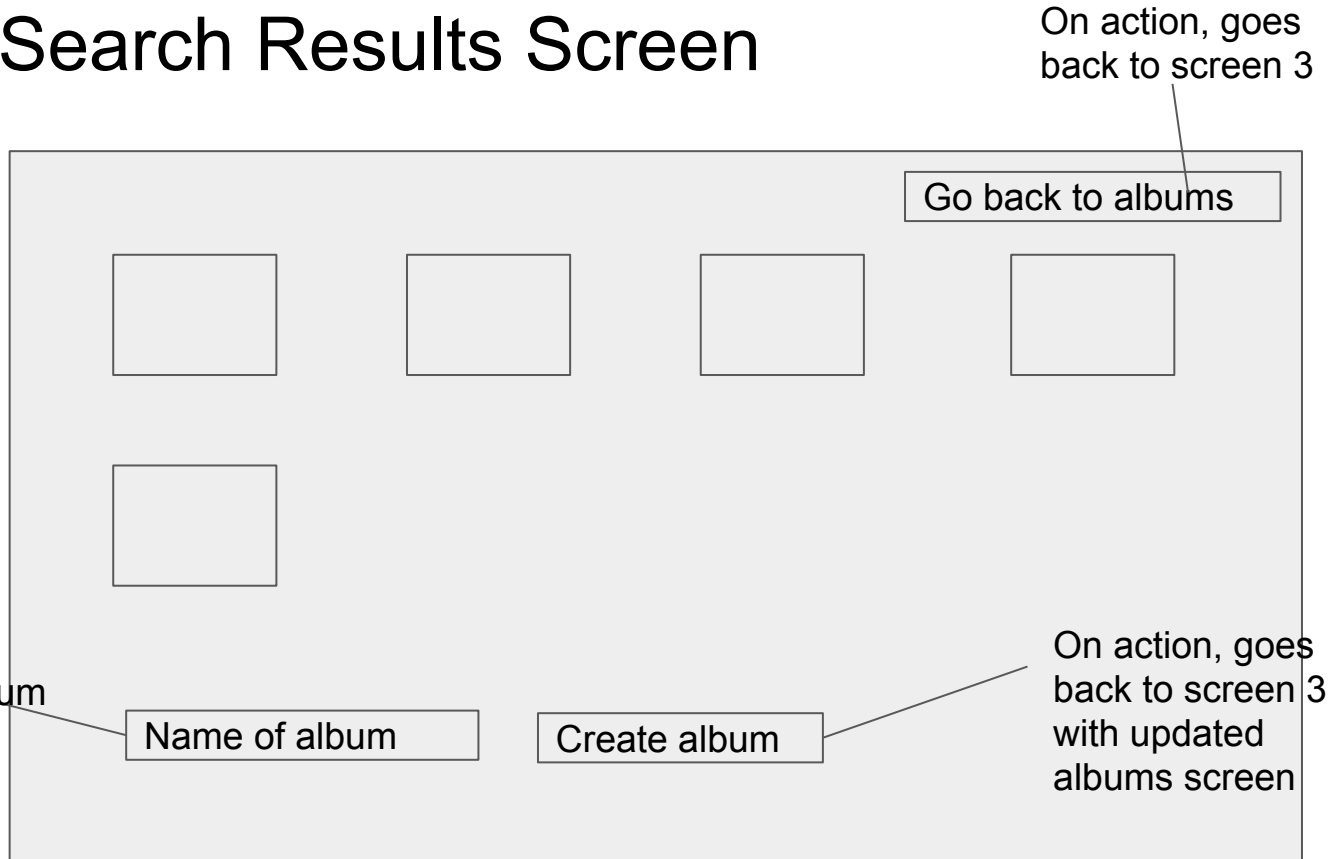

Can select multiple
tags to search by

Search

On action, goes to
screen 10

The wireframe shows a rectangular screen layout. At the top, there are three input fields: 'Enter start date', 'Enter end date', and 'Cancel'. Below these is a large rectangular area labeled 'Listview of tags'. At the bottom left is a 'Search' button. Lines connect the external text labels to their respective UI elements: 'Goes back to screen 3' to the 'Cancel' button, 'Listview of tags' to the tag listview, 'Can select multiple tags to search by' to the tag listview, and 'On action, goes to screen 10' to the 'Search' button.

(10) Search Results Screen

(11) Copy to or Move to Screen
